What Happened

One of my daughters, Isabella Keefe, was deemed suicidal and was transported to Southwestern Behavioral Health Center at 1602 SW 82nd Street, Lawton, OK 73505 from Mercy Hospital in NW OKC on 4/26/2022. Upon arrival at about 7:50 pm CST on 4/26/2022, Erica, a tech, began perpetuating hate crimes upon me by committing assault and battery while repeatedly misgendering me - I am transgender - and I have it all on videos. I also have bruising on my hand and have a photo of that as well. This was a horrific display of violence against someone who is transgender and indeed in front of a minor child who was suicidal.
